**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We desperately need more broadband competition! I live in San Jose, the heart of silicon valley and in my area there is no fiber internet at all, only one "high speed" provided (Comcast) and a few dsl providers. Everything the big companies offer is overpriced, underperforming and bundled with unwanted services. Stop the monopolies and allow local companies to compete!!
